

NEW! Face mask rules in Baden-Württemberg From Monday 25st January 2021

(Children under 7 years of age do not have to wear face masks!)

Beginning on 25th January 2021

Only **MEDICAL MASKS** must be worn!

- When you go shopping – both inside and outside shops.
- At public outdoor markets and inside buildings.
- On busses, in trains and taxis and while waiting for them outside.
- At the doctor or at hospitals.
- At work.
- At religious meetings.

Everyday (or self-made) cloth masks are also sufficient:

Everywhere, outdoors and indoors, when people meet by chance and a distance of at least 1.5 meters from other people is not able to be maintained (pedestrian zones, shopping streets, busy paths).

How should I use the mask?

- The mask must cover your nose and mouth (the mask must reach from your nose down to your chin).
- As soon as your mask gets wet, put on a new one.

The corona pandemic is not over yet.

You must follow these rules. It's your health that is at stake.

You will pay a fine if you do not follow these rules.
