- Do not form groups during breaks
- Wear a full face mask when it is not possible to keep a safe distance.
- Observe the distance markings.
- Wash your hands regularly and thoroughly, at least 20-30 seconds with water and liquid soap. If this is not possible, disinfect your hands thoroughly.
- Cough or sneeze in the crook of your arm or in a handkerchief.
- Avoid touching, hugging, and shaking hands.
- If you feel sick (e.g. fever, dry cough, breathing problems, loss of taste / smell, sore throat or body aches), stay at home or leave the language course.
- If you suspect a “corona” infection, inform the local health department.
